The 2nd IEEE Conference on Agrifood Electronics
Democritus University of Thrace
26 - 28 September 2024
Xanthi, Greece

CALL FOR PAPERS
CAFE 2024

We are excited to announce the Call for Papers for the esteemed IEEE CAFE 2024, which stands at the forefront of integrating electronics into the AgriFood value chain, and we are seeking innovative contributions that embody our theme of revolutionizing the entire food chain through advanced electronics and sensor technology.

TOPICS
- Precision Agriculture
- IoT and AI in Agriculture
- Sustainable Agriculture Systems
- Robotics in Agriculture
- Advanced Sensor Technologies
- Automation in Agriculture

HIGHLIGHTS
IEEE CAS Industry Forum, an event where industry experts collaborate to offer invaluable insights on developing applications for AgriFood Electronics. Participate in IAFE free of charge.

SELECTED PAPERS
Selected papers will have the opportunity to be extended in a Special Issue of the IEEE Transactions on Agrifood Electronics.

IMPORTANT DATES
- Apr 15th, 2024: Special Session Proposal Deadline
- May 13th, 2024: Regular Papers Submission Deadline
- Jun 10th, 2024: Paper Decision Notifications
- Jul 1st, 2024: Final Papers Submission Deadline
