

# The 2nd IEEE Conference on Agrifood Electronics

Democritus University of Thrace

26 - 28 September 2024

Xanthi, Greece

ORGANIZER

# CALL FOR PAPERS CAFE 2024

## ORGANIZING COMMITTEE

### GENERAL CHAIRS

- Georgios Ch. Sirakoulis**  
Democritus University of Thrace, Greece
- Marios Sophocleous**  
eBOS Technologies Ltd & Tel Aviv University, Cyprus

### TECHNICAL PROGRAM

- Luisa Petti**  
Libera Università di Bolzano, Italy
- Paddy French**  
TU Delft, Netherlands

### PUBLICATIONS

- Danilo Demarchi**  
Politecnico di Torino, Italy

### SPECIAL SESSIONS

- Andrei Vladimirescu**  
University of California at Berkeley, USA
- Victor Grimblatt**  
Synopsys, Chile

### INTERNATIONAL LIASSON

- Adi Avni**  
Tel Aviv University, Israel
- James Maligeorgos**  
Uhnder Inc, United States (U.S.)

### INDUSTRY LIASSON

- Yosi Shacham-Diamand**  
Tel Aviv University, Israel
- Roberto La Rosa**  
STMicroelectronics Pvt Ltd, Italy

### FINANCIAL

- Ioannis Vourkas**  
Universidad Técnica Federico Santa María, Chile
- Panagiotis Dimitrakis**  
NCSR Demokritos, Greece

### MEDIA

- Karolos-Alexandros Tsakalos**  
Democritus University of Thrace, Greece

### PUBLICITY

- Luis Kun**  
IEEE Society Social Implications of Technology, U.S.
- Mohammad Russel**  
Dalian University of Technology, China
- Arnaud Alfredo**  
Universidad de la República, Uruguay
- Dimitrios Argyropoulos**  
University College Dublin, Ireland
- George Xiao**  
National Research Council of Canada (NRC), Canada
- Roland Vida**  
Budapest University of Technology and Economics, Hungary

We are excited to announce the Call for Papers for the esteemed IEEE CAFE 2024, which stands at the forefront of integrating electronics into the AgriFood value chain, and we are seeking innovative contributions that embody our theme of revolutionizing the entire food chain through advanced electronics and sensor technology.

## TOPICS

- ✓ Precision Agriculture
- ✓ IoT and AI in Agriculture
- ✓ Sustainable Agriculture Systems
- ✓ Robotics in Agriculture
- ✓ Advanced Sensor Technologies
- ✓ Automation in Agriculture

## HIGHLIGHTS

**IEEE CAS Industry Forum**, an event where industry experts collaborate to offer invaluable insights on developing applications for AgriFood Electronics. Participate in IAFE free of charge

Selected papers will have the opportunity to be extended in a Special Issue of the **IEEE Transactions on Agrifood Electronics**.

## IMPORTANT DATES

May 12th, 2024

Special Session  
Proposal  
Deadline

May 27th, 2024

Regular Papers  
Submission  
Deadline

Jun 10th, 2024

Paper  
Decision  
Notifications

Jul 1st, 2024

Final Papers  
Submission  
Deadline
