## Call For Papers

We are excited to announce the Call for Papers for the 2nd IEEE Conference on Agrifood Electronics (CAFE2024). This conference focuses on the integration of electronics into the AgriFood value chain, aiming to explore and promote advancements in this critical area. We invite innovative contributions that investigate how advanced electronics and sensor technologies can transform various stages of the food chain, from production and processing to distribution and consumption.

### TOPICS

- ✓ Precision Agriculture Technologies
- ✓ IoT and AI in Agriculture
- ✓ Sustainable & Smart AgroSystems
- ✓ Renewable Energy Tech in Agriculture
- ✓ Robotics & Automation in Agriculture
- ✓ Big Data and Analytics in Agriculture
- ✓ Emerging Sensors Technologies
- ✓ Supply Chain & Food Traceability

### HIGHLIGHTS

CAFE2024 will once again host the **IEEE CAS Industry Forum (IAFE)**, offering a unique opportunity to engage with leaders in the field. Participation in the IAFE Forum is free.

Authors of selected papers can extend their work for publication in a Special Issue of **IEEE Transactions on Agrifood Electronics**, providing increased visibility and recognition for contributors.
